Business Watch

Flatrate Business ADSL now available

Did you know you can now get a 256k business ADSL connection at a flatrate fee - so you don't need to worry about receiving a large bill at the end of the month for exceeding your cap.

256k Quickfire ADSL business plans come with up to 10GB data per month (speed will be throttled above the cap) - on the previous fullspeed business Jetstream plan, this much data would have cost you around \$1000 per month!

You'll now pay around \$70 per month for 10GB data on your 256k Quickfire plan, with no excess usage charges.

Business broadband has never been so affordable!

Bundle Quicksilver's Direct Dial Tolls for home or business, and you'll get a discounted rate on your broadband fees, as well as access to Quicksilver's cheaper toll call rates.

Broadband ADSL is 'always-connected', so you can talk on the phone and use the internet at the same time, so you'll never miss that important phonecall again, and you'll also save on the cost of a second phonenumber. There's no need to dialup with Broadband, so if you've been paying a fortune in business call charges to dialup, switch to broadband today to start saving.

256k FLATRATE BUSINESS ADSL

- Flatrate 256k business ADSL plans available right now
- No excess usage charges
- Access to cheaper toll calls
- One invoice, from one provider
- Talk on the phone & use the internet at the same time
- 'Always On' connection
- No dialup call charges
